## About Us

PT Raya Manyar Persada, also known as (RMP), was established in Gresik since 2019 until now, is a company engaged in several business fields including manpower, general supply, and land transportation services.

PT Raya Manyar Persada (RMP) is committed to consistently striving to provide the best and maximum service, solutions, and results to meet all customer needs in every field of work we handle, supported by management and human resources that are sufficiently professional and experienced in their respective fields.

## Vision and Mission

### VISION

"Becoming a company with integrity and delivering excellent service to customers."

### MISSION

"Ensuring commitment to punctuality, job quality, and skilled human resources for every task."

"Prioritizing synergy, collaboration with all work units, and always seeking better solutions."

"Developing professional human resources oriented towards continuous improvement."

“  
WE PROVIDE YOU WITH  
THE BEST PRACTICE LABOUR  
ON THE MARKET

## Contractor Service

PT Raya Manyar Persada (RMP) is committed to producing quality civil and construction works for the industrial, commercial, and infrastructure sectors. We also provide project needs to ensure the smooth running of projects, including:

- Personal Protective Equipment (PPE)
- Heavy Equipment Rental
- Construction Site Management
- Construction Sanitary Services
- Construction Materials
- Construction Catering
- Natural Materials

## Earthwork & Landscape Service

Earthworks (Cut & Fill), Hauling Service, Landscaping Area Planting and Maintenance

## Manpower Service

To produce quality construction works, PT Raya Manyar Persada provides skilled labor (Welders, Fitters, Heavy Equipment Operators, etc.) and unskilled labor (General Helpers) who are reliable and trained in mastering basic tools and basic safety.

## Transporter Service

PT Raya Manyar Persada (RMP) is ready to compete in providing transportation services supported by optimizing timeliness and effectiveness of delivery to meet the needs and desires of customers. We serve deliveries where our fleet will pick up goods at the pick-up location and deliver them to the destination via telephone.

## Our Goals

Our goal is to leverage experience, knowledge, and resources together to drive innovation, create added value, and achieve sustainable growth. Through strategic partnerships, we aim to explore new opportunities, expand market reach, and optimize benefits for all parties involved. Together, we can embark on a journey towards shared success, deliver positive impacts, and shape the future of our industry.

# Achievements

PT. Raya Manyar Persada collaborates with the YATAMAM Manyar Gresik Foundation to establish a Smelter Waste Management Facility under contract with PT. Freeport Indonesia.

This facility is built to accommodate construction waste from Freeport Smelter development, and the proceeds from managing this waste are fully distributed to the communities in 9 villages around the project through social programs.

## Portofolio

Some projects that have been obtained are related to the development of the "Manyar Smelter Project" for PT. Freeport Indonesia.
